Who we are...

Groundserv is known throughout the industry as a friendly, motivated and professional business with excellent values.

We pride ourselves in being a professional, forward-thinking company, who remains courteous, friendly and appreciative when dealing with our clients.

With a wealth of experience in the Grounds maintenance supply industry, our staff will strive to respond to any enquiry efficiently and promptly.

Our values:

Understanding

To listen and to understand our customers in order we meet their exact requirements.

Supportive

To ensure our customers receive the service and backup support that exceeds all their expectations.

Excellence

To offer our customers the highest level of standard on all the products we sell and the services we provide.

Staff Development

To offer a high level of care, training and experience within an inspiring and enjoyable working environment.

What makes us stand out from the rest

We are a family business with over 40 years of experience in Garden and Grounds maintenance supplies. Our buying power and excellent knowledge of these products allows us to offer you very competitive deals. Our products are chosen for their quality, reliability and price. We are deeply committed to give you the best possible service at all times.

***Dedicated to serving the Contractor,
Groundsman and Local Authority***
